About Us

Building Trust with our Clients

Apex Certified Auditors is a full-service audit, financial and advisory firm, delivering certified, knowledge-driven audit, tax and financial services, that help our clients, in both regional and international markets, comply with regulations, make the right decisions, manage and minimize risks.

Based in Athens and Chania, together with our partners, we are proud to servicing a strong clientele and streamline their business, according to the international and Greek Auditing Standards and according to the Code of Professional Conduct for Auditors.

Our team consists of executives with long experience in audit, financial and tax services and has been focused on helping clients compete and thrive, earning their trust through our actions and professional behavior.
